Application No. 10/657,758

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received at the Board of Patent Appeals and Interferences on March 31, 2006. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the Examiner. The matter requiring attention prior to docketing is identified below.

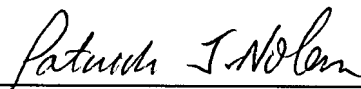

Several of the claims in the Appendix do not correspond with the claims as filed in the After Final Amendment filed October 20, 2005. The claims are 7, 8, 9, 10, 11, 12, 13, 14, 15, 21, 23, 24, 26, 27, 28, and 32. These claims contain underlined limitations that were not entered in the After Final Amendment. The Appendix needs to be changed to reflect the correct claims.

Application No. 10/657,758

Accordingly, it is

ORDERED that the application is returned to the Examiner for the correction of the Appendix and for such further action as may be appropriate.
